

MATEUSZ ZAKRZEWSKI

team leader & projekt manager

PROFILE

I have five years of work experience as a team leader in companies that reach out to the international market. I possess a broad knowledge on the construction of fiber-optic broadband networks – FTTx. I am a graduate of a Norwegian school with education programme for electrical subjects. Norway has been my residence for over ten years. My goal is a permanent job that would allow me to develop and utilize the knowledge I have acquired.
